

The image features a series of 100 nested, rounded square shapes. The innermost shape is a light pink circle-like blob. As the shapes expand outwards, they become more square-like, and the color transitions through a gradient: light green, teal, blue, and finally to a deep purple for the outermost shape. Each shape is outlined with a thin black line. A white rectangular box is centered over the middle of the nested shapes, containing the title and author information.

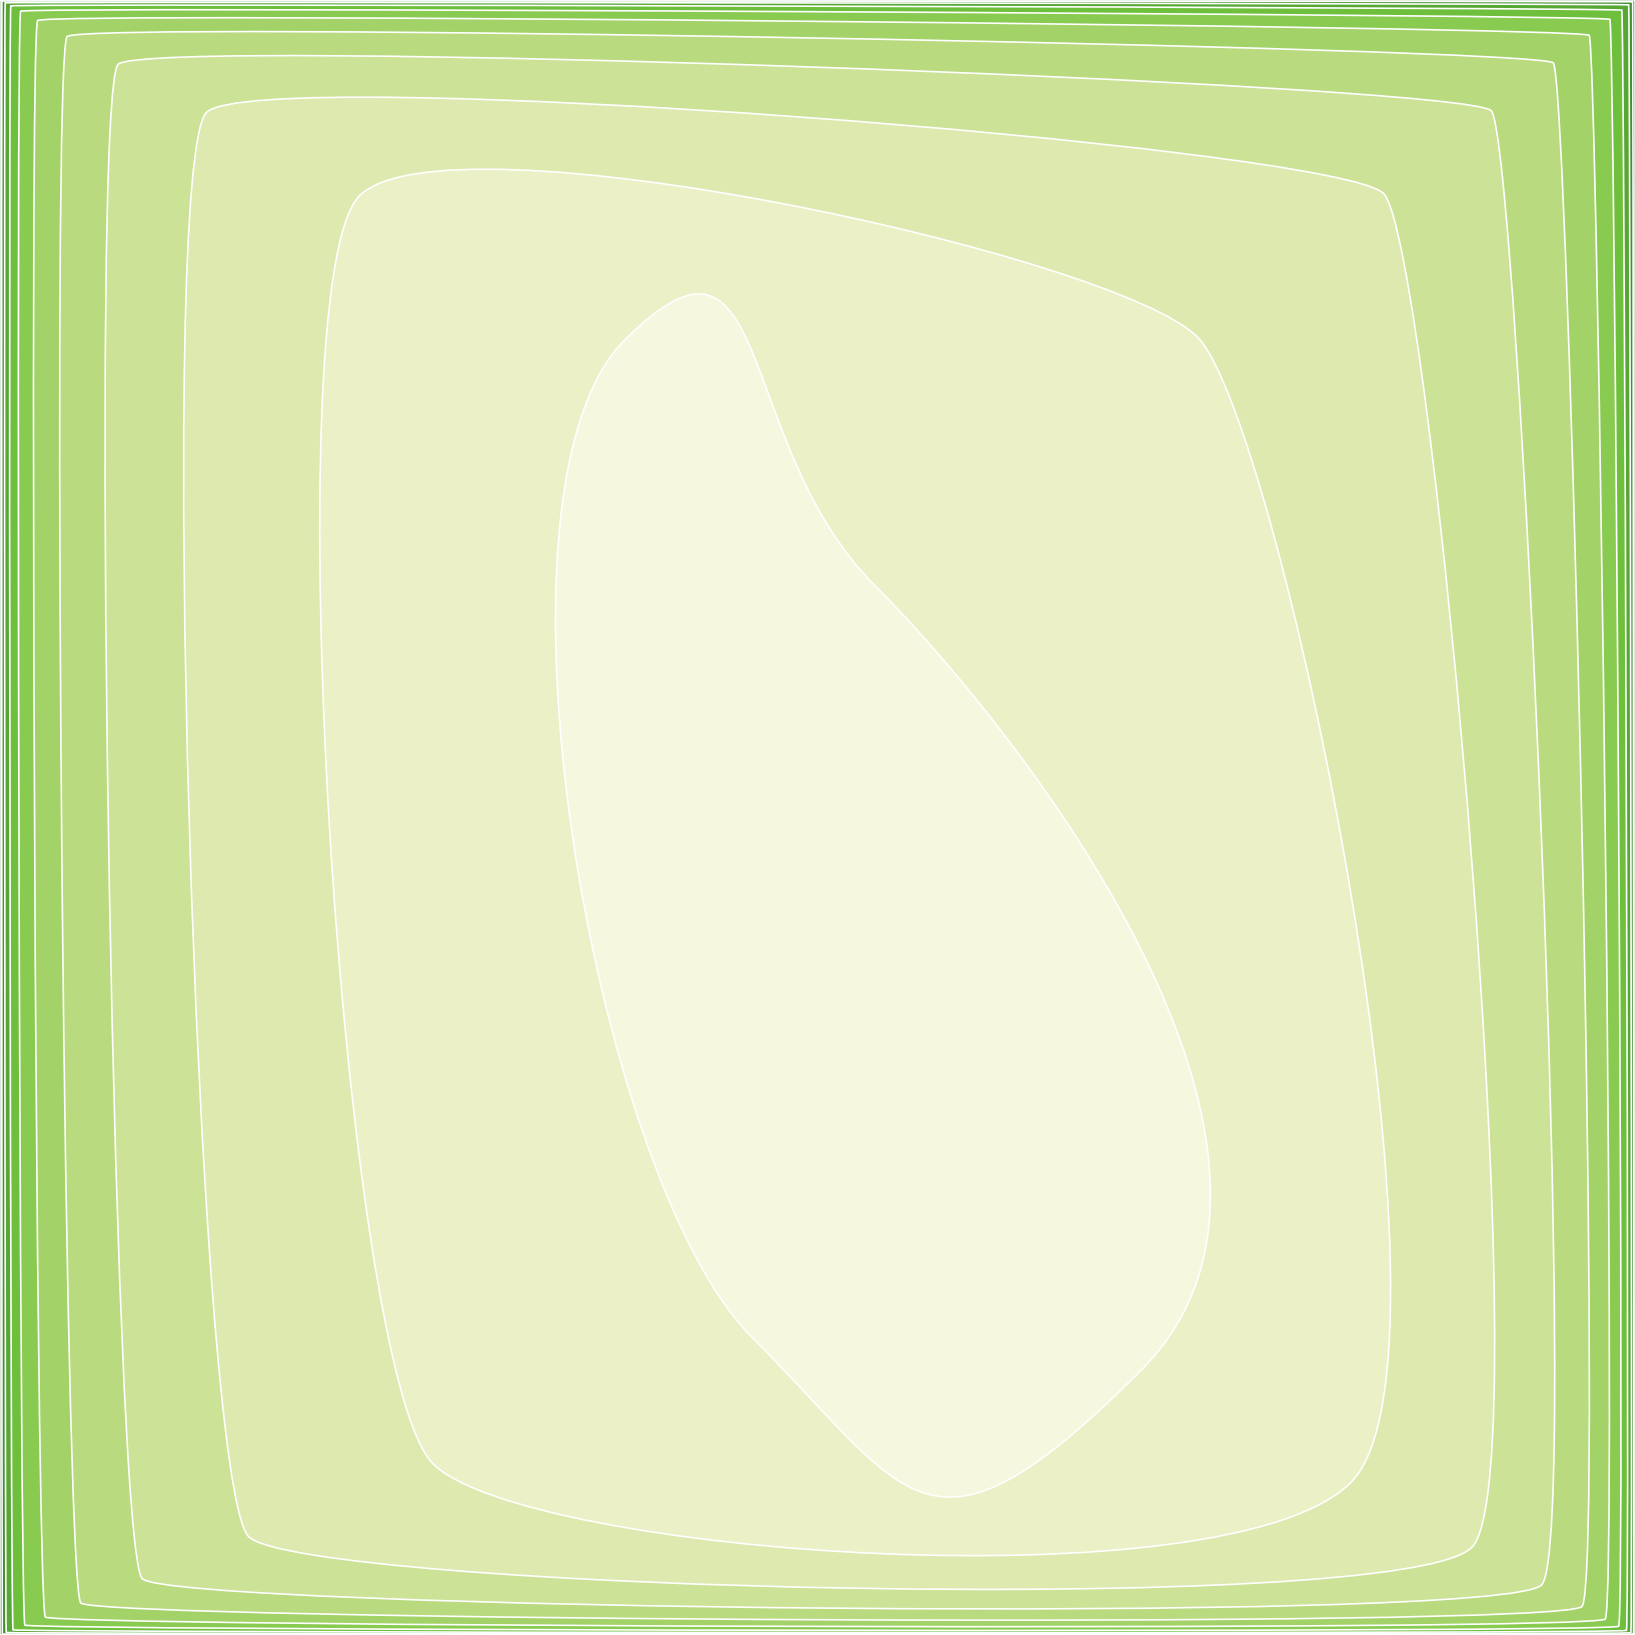

100 random blobs
